

These People First Bank Samsung Pay Terms and Conditions (**Terms**) together with the Accounts & Access Facilities Terms & Conditions apply to the use by you of your eligible People First Bank card (**Card**) with Samsung Pay. Where inconsistent with the Accounts & Access Facilities Terms & Conditions terms, these Terms apply.

By adding your Card or allowing an additional cardholder to add their Card to Samsung Pay on an eligible Samsung device you agree to these Terms.

Registration of your Card with Samsung Pay is subject to us identifying and verifying you and is at our reasonable discretion.

Your responsibilities to keep your Card secure and notify us of errors or fraud, and our liability

- You are responsible for securing your Samsung device, passcodes, and biometric identifiers. You agree to protect and keep confidential any User ID, phone lock passcode, passwords and all other information required for you to make purchases with your Card using Samsung Pay.
- Always protect a phone passcode by using a unique number or pattern that is not obvious or can be easily guessed. Take precautions when using Samsung Pay. Try to memorise your passcode or carefully disguise it. Never record a passcode with or on your device or computer or reveal it to anyone.
- You must not allow your Card to be added to Samsung Pay on a device that does not belong to you, a device that is shared, a device that has another person's biometric identifier registered or a device that will not remain in your possession. If this occurs you will be deemed to have authorised and consented to any transactions performed using the Card through Samsung Pay and, subject to the ePayments Code, you will be liable for those transactions.
- If your device has been lost or stolen, or you believe your security credentials have been compromised, you must report this to us promptly. The Accounts & Access Facilities Terms & Conditions require you to contact us promptly if you believe there are errors or if you suspect fraud with your Card. This includes any fraud associated with Samsung Pay.
- Your liability for unauthorised transactions will be determined in accordance with the ePayments Code and the Accounts & Access Facilities Terms & Conditions or as otherwise provided by law.

Samsung Pay Service Provider

Samsung Pay is provided and maintained by Samsung, not us. We are not the provider of Samsung Pay and are not responsible for its availability, performance, use and function. You should contact Samsung Pay customer service if you have questions concerning how to use Samsung Pay or problems with Samsung Pay.

We do not make any guarantees that Samsung Pay will be accepted by all merchants. We are not liable for any loss, injury or inconvenience you suffer because of a merchant refusing to accept Samsung Pay.

We are not responsible if there is a security breach affecting any information stored in Samsung Pay or sent from Samsung Pay. This is the responsibility of the Samsung Pay.

You must accept Samsung's own terms and conditions to use Samsung Pay. For compatible devices, refer to <https://www.samsung.com>.

Applicable fees

We do not charge a fee for adding or using your Card with Samsung Pay.

All applicable account fees and charges relating your account and to the use of your Card still apply.

You are responsible for any third party charges, including mobile carrier or data usage fees.

Suspension or removal of a Card from Samsung Pay by us

We can block you from adding an otherwise eligible Card to Samsung Pay, suspend your ability to use a Card to make purchases using Samsung Pay or cancel entirely your ability to continue to use a Card in Samsung Pay or using Samsung Pay more generally. We may take these actions at any time and for one or more of the following reasons

- if you ask us to suspend or close the eligible account that the Card is linked to,
- if your eligible Card is cancelled, blocked or suspended,
- if you breach the product terms for your account,
- if either you or any additional cardholder breach these Terms,
- if we suspect unauthorised transactions have occurred on your account,
- if required by applicable laws (such as anti-money laundering and counter-terrorism financing laws, or sanctions laws),
- if directed to do so by Samsung Pay provider or the applicable Card scheme (for example, in circumstances of suspected fraud),
- if we are required by a regulatory or government body,
- for security reasons, or
- if we have reasonable grounds to believe that there is a material risk of loss to you or us.

However, unless there are exceptional circumstances (e.g. fraud or criminal activity), we will give you at least 14 days advance notice before taking action under this clause.

We may also cease supporting Samsung Pay at any time.

Suspension or removal of a Card from Samsung Pay by you

You may remove your Card from Samsung Pay by following Samsung's procedures for removal.

Devices with same Samsung Pay account

If you add a Card to one of your devices and have other devices sharing the same account (**Other Devices**), this may permit the Card to be added to the Other Devices and permit users of the Other Devices to see Card information. Please contact Samsung for more information.

Your information

By registering for Samsung Pay, you consent to us sharing information with Samsung that is reasonably necessary to enable and support Samsung Pay. Amongst other things, we may also exchange information about you with the applicable card scheme and service providers where required.

We may also share your information to make available to you in Samsung Pay information about your Card transactions, or to assist Samsung in improving Samsung Pay. We are not responsible for any loss, injury or other harm you suffer in connection with Samsung's use of your information except to the extent caused by our negligence, fraud or wilful misconduct (or that of our employees or agents).

Samsung's Privacy Policy is available at <https://www.samsung.com/privacy>. The Accounts & Access Facilities Terms & Conditions and our privacy policy available at www.peoplefirstbank.com.au contains further information about our collection and handling of your information.

Our liability

To the extent permitted by law, we are not liable for losses arising from Samsung Pay where caused by your actions, failure to protect your device, misuse of Samsung Pay, or events beyond our reasonable control.

Your liability may be limited under applicable laws and industry codes, including the ePayments Code (where applicable).

You agree to allow us to contact you electronically

You agree that we may contact you electronically (for example via SMS, email and notifications in app) and that this is considered written notice for the purpose of these Terms.

We may amend these Terms in the manner set out in the Accounts & Access Facilities Terms & Conditions.

A copy of the Accounts & Access Facilities Terms & Conditions can be located on our website, www.peoplefirstbank.com.au or obtained from one of our branches.
